

Year 5 Maths Homework Week 1 – Due in 22nd September

In maths this week we have continued to look at place value , especially with the value of each number and how we read it in words.

For each of the numbers below, partition the number and write the number in words:

1) 134, 945

2) 443, 760

3) 604,802

4) 310, 455

5) 261,000

Fill in the blanks

6) $569,032 = 500,000 + 60,000 + \underline{\hspace{2cm}} + 30 + \underline{\hspace{1cm}}$

7) $235,556 = \underline{\hspace{2cm}} + 30,000 + 5,000 + \underline{\hspace{1cm}} + 50 + \underline{\hspace{1cm}}$

8) $501,321 = 500,000 + \underline{\hspace{2cm}} + 300 + \underline{\hspace{1cm}} + \underline{\hspace{1cm}}$

Write three numbers that are between 200,000 and 230,000

1)

2)

3)
