### Peripatetic Music Lessons 2020-2021

At Two Mile Ash, we encourage children to take up many different opportunities within the arts, and we know the value of learning a musical instrument. Therefore, we would like to offer your child the opportunity to take up peripatetic music lessons through the Milton Keynes Music Co-Op.

Lessons will be delivered weekly to small groups by specialist peripatetic teachers, and there will be three instrument options available: brass, woodwind (clarinet or flute) and strings (violin). Please indicate your preference on the form below. For brass, the teacher will determine the best instrument for your child, and this is usually the trumpet. Please be aware that the lessons can take place at any time during the school day, so your child will miss a small part of their timetabled curriculum or playtime. This is offset by the incredible benefits of learning a musical instrument, and should have no impact your child's overall learning experience at Two Mile Ash.

#### **Cost of lessons:**

Peripatetic music lessons are **£51.00 per term**, or **£153 per academic year**. This cost covers **34 teaching** weeks, and is considerably less than private music lessons by similarly-qualified teachers. Autumn term's fees are payable **by 9<sup>th</sup> July 2020**. Spring and summer term fees will be due on **2<sup>nd</sup> October 2020 and 22<sup>nd</sup> January 2021 respectively**. This is so that the school can give appropriate notice to teachers and fill spaces should your child no longer require lessons. If you do not wish your child to continue music lessons in the next term, you must give **half a term's notice** to the Finance Office in writing. There is no refund should children decide not to continue with lessons. Your child will not be able to begin their lessons for the term until fees have been paid in full.

#### **Instruments and books:**

Instruments must be purchased or hired from the Music Service: they cannot be provided by the school. Details about obtaining an instrument will be given to you when your child begins lessons, rough prices are available on the MK Music Co-op's website. Your child's peripatetic teacher will also speak to them about purchasing the necessary materials. Please **DO NOT** purchase anything before this.

As the music lessons will be given by specialist teachers from the Milton Keynes Music Co-op, we require a certain level of commitment from all children who take up a place. You and your child will be asked to complete and sign our Peripatetic Music Agreement before taking part in lessons to ensure that the right level of commitment is given. Learning an instrument is extremely rewarding, but does require practise at home and long-term commitment to attending weekly lessons. We expect pupils to continue instrument lessons for at least one year, and hope that they will keep learning throughout their time at Two Mile Ash and beyond.

#### **Application Form:**

If you wish your child to begin peripatetic musical instrument lessons in September, please complete and return the attached application form to school by Thursday 9<sup>th</sup> July 2020. **Please note that in returning this form you are committing to paying for lessons.** We will always strive to provide your child with their preferred instrument, and you will be notified in July of your child's allocated place. For more information about peripatetic music lessons, please contact the school on **Music@tma.bucks.sch.uk**
