

## Miss Harding

Hello, my name is Miss Harding and below is a little bit about me.

I have travelled a lot growing up, I was born in Germany and have lived in France, Holland and Spain. I speak French and absolutely love it, so if you want to learn some, come and have a chat!

I am mad about all languages and love telling you where words come from. Fun fact: this is called etymology (not entomology which is the study of bugs!!)

My granny is Italian, so I have a passion for pasta! I love making a good pasta sauce.

I have three dogs at home that are always under my feet. I am crazy about running and am always keen to show off my medals! Apart from running, you can often find me on my yoga mat; would you care to join me?

My nose is always in a book and I am always keen to hear about all the adventures that you have been reading about.

I am looking forward to being back at school and seeing you all again!
