

Dear Parents/Carers,

We hope that you have found your child settling in well during the first few weeks of school. Just to keep you updated, from now on English and Maths homework will be set online through the following applications: Times Table Rockstars, MyMaths and Bug Club. Spellings will be uploaded onto our school website for you to access, if you select the 'Home Learning' tab you will see separate pages for each year group. Homework will be set for your child every Friday and teachers expect the homework to be completed online by the following Friday. Your child has been provided with their username and passwords, which have been stuck into reading records for all the online applications that we expect them to use.

As part of our reading pledge, we would like our children to read for at least 10 minutes, five times a week and for reading records to be completed with a mixture of children's and parental comments. Any tricky words or new vocabulary needs to be recorded. Reading records will be checked weekly by your child's class teacher and for fully completed records with a parental signature, your child will receive a merit.

This week, to start off the homework, your child's teacher has allocated a book on Bug Club for them to read and answer comprehension questions. Times tables will be practiced on Times Tables Rockstars and an activity has been set on MyMaths. Every week, homework will be monitored by teachers and a spelling test will be administered.

If you have any questions, please do contact us and we will get back to you.

Divya Sharma and Monica Sharma

Head of Maths and Head of English
