

Friday 11th September 2020

Dear Parents and Carers,

As we come to the end of our first full week back, I have to share just how proud we all are of all the children. They have returned with such enthusiasm and positive attitudes towards their learning and appear ready for the exciting challenges of the year ahead! All our new routines seem much more familiar to us all now and the children have adapted to our new procedures brilliantly. The beginning and end of the school day seems to be running very smoothly and I appreciate you all sticking to the timings really closely.

Thank you for ensuring your children all looked smart for their return to school. Wearing uniform supports the children in feeling part of and proud of the TMA community. Just a reminder that the children should not be wearing any jewellery to school and if children are unable to remove their earrings, these should be simple studs which will need to be taped over on allocated PE days. Please can we also ask that the children do not wear any large or brightly coloured hair accessories to school. Thank you for your continued support with our uniform policy. I have included a reminder of our uniform requirements below.

	Girls	Boys
Autumn Term School Uniform	Grey skirt Grey tailored trousers (Not cropped) White blouse or Two Mile Ash white/navy polo shirt with logo Two Mile Ash school navy sweatshirt/cardigan Claret for Year 6 pupils Grey tights or white socks (No Leggings) Black school shoes (no boots)	Grey trousers White shirt or Two Mile Ash white/navy polo shirt with logo Two Mile Ash school navy sweatshirt or cardigan Claret sweatshirt or cardigan for Year 6 pupils Black or grey socks Black school shoes

On **Tuesday 22nd September**, we have organised for a photography company to come into school to take individual pupil photographs. Please can you add this date to your diary and ensure your child comes to school looking smart, in full uniform with their best smiles. Please let me reassure you that the company have provided a full risk assessment and will be socially distancing from the children at all times. The children will also not come into contact with any other children from other bubbles for this.

I have included below an information sheet from the Local Authority of what to do if your child develops symptoms of Covid 19. Please keep this guide handy and refer to it if you are unsure of whether to send your child into school. The link below also includes further information for families with possible or confirmed cases of coronavirus.

I hope you and your family all have a wonderful weekend.

With very best wishes,

Lucy Eldridge

Head of Two Mile Ash School
