Looked After Children Policy

Philosophy

At TMA, the spiritual, social, moral and cultural development of all our Pupils and being safe is paramount. We believe that the most important function of the school is to maintain an environment in which every member of the school is able to achieve success and self-fulfilment. There must be a total consistency of expectation that everyone (irrespective of gender, race or culture) should feel safe and secure, have empathy for all others, and place a high value upon individual achievement and personal development.

The Objective:

To promote the educational achievement and welfare of looked after children (CLA) on the school roll within an inclusive and supportive ethos and culture.

School Responsibility

It is important that all teaching staff who are in contact with the child or young person are aware that he/she is being looked after by the Local Authority. The responsibility for the transfer of this information should be that of the Head Teacher and/or the Designated Teacher for Looked after Children.

It is appropriate for a classroom support assistant to have knowledge that the young person is in care only when directly involved in the teaching of the young person.

In the absence of the usual class teacher, some information regarding the child's circumstances should be shared with the teacher covering the class. The extent of this sharing should be determined by the Headteacher or the Designated Teacher for Looked after Children.

Key Roles and Responsibilities include:

- Have high expectations of the educational and personal achievements of Children Looked After
- Positively promote the raising of a Looked After Child's self esteem
- Ensure any Child who is looked after is supported sensitively and that confidentiality is maintained
- Be familiar with the Guidance on Children Looked After and respond appropriately to requests for information to support Personal Education Plans, and review meetings
- Respond positively to the request to be a Child Looked After named person
- Liaise with the designated teacher where a Child Looked After is experiencing difficulties
- Give only official exclusions and only use exclusions as a last resort, in line with statutory regulations and Milton Keynes exclusion advice
- Contribute to regular liaison with social care colleagues and other appropriate professionals
- Keep appropriate records, confidentially as necessary, and make these available to other professionals as appropriate.

Admission Arrangements

On admission, records will be requested from the pupil's previous school and a meeting will be held with carer/parent/Social Worker as appropriate – but always involving someone with parental responsibility. This will provide information to inform the Personal Education Plan. An appropriate school induction will take place.

Involve the Young Person

It is important that a young person is aware that information is being recorded regarding their personal circumstances. How this is shared with them clearly depends on their age and understanding. The explanation should emphasise that the school, the Social Worker, and their carer(s) are working together to promote their education.

It is important that the young person is supported to complete the Pupil Voice section of the Personal Education Plan by the Designated Teacher to inform the PEP and Care Plan review meetings

It is important to establish the child's view of their changed circumstances and what they want others to know. It is also important to ensure that a Social Worker/teacher/carer

prepares the child for situations when they may be asked about home, e.g. by other pupils in the playground.

Communication with Other Agencies

TMA will ensure that a copy of all reports (e.g. End of year reports) will be forwarded to the young person's Social Worker in addition to the foster carer or Residential Social Worker and if appropriate parent/s and the Virtual School.

Schools and education and social work colleagues within Children's Services should endeavour to co-ordinate their review meetings, e.g. to have an Annual or a Statement Review and a Personal Education Plan meeting or review.

It is important to exchange information between formal reviews if there are significant changes in the young person's circumstances, e.g. if school is considering an change of course, there is a change of care placement or there are significant issues that will affect educational provision e.g.; behaviour or attendance.

Assessment, Monitoring and Review Procedures

Each pupil in care will have a Care Plan that will include a Personal Education Plan (PEP) that is developed jointly by the Social Worker and Designated Teacher. This will identify specific areas of focus and include targets and associated action to improve the student performance or educational achievement. Areas for consideration will include:

- Achievement Record (academic or otherwise);
- Development needs (short and long term development of skills, knowledge or subject areas and experiences); and
- Long term plans and aspirations (targets including progress, career plans and aspirations).
- Educational Data so that progress may be easily tracked between Key Stages;
- Extended learning opportunities;
- Involvement in Out of School Hours Activities;
- Special needs (if any);
- Attendance;
- Behaviour;
- Use of Pupil Premium and impact.

The PEP will be updated and reviewed at least annually or at the point of any major change and contribute to the Statutory Reviewing process carried out by the

Independent Reviewing Officer. The Designated Teacher is accountable for the implementation and review of the educational action to meet the targets within the Plan.

The named governor will report annually to the Governing Body on the progress of all looked after children against the key indicators outlined above.
