

25th September 2020

Dear Parents/Carers,

Class teacher Parent Consultations

- **Tuesday 6th October 2020** **3:40pm – 7:30pm**
- **Wednesday 7th October 2020** **3:40pm – 7:30pm**
- **Thursday 8th October 2020** **3:40pm – 7:30pm**

We would like to invite you and your child to our Parent Consultations with their class teacher. These meetings are designed to discuss how your child has settled into their new class and how they have been enjoying their learning. With everything we do at Two Mile Ash, we rely on the positive relationships built between home and school and we would therefore encourage all of our parents to make appointments. If possible, we would like your child to attend with you so they can be part of the discussion.

This year we will be holding our parent's consolation evenings differently to previous years. Due to the current circumstances, we cannot welcome parents into school like we usually do. Therefore, we will be conducting these appointments virtually, using online video calling. We appreciate how important it is for teachers and parents to have a face to face conversation and will support this as much as we can.

To make an appointment, please can you indicate your preferred time slots on the attached preference booking sheet. If you could clearly state your first preference for date and time slot and your second preference for date and time slot, your child's class teacher will use this information to allocate the appointments. Please can you also note on the booking preference form any siblings your child has at the school and their class. This will support teachers in planning appointments for you so that there are no clashes. The allocated time for each appointment is 10 minutes.
