

Dear Parents/Carers

School meals should now be available to book through your ParentPay account. Please make sure that meals are booked one week in advance by the Wednesday.

For example if you require meals for w/c 14th September 2020 these must be booked by Wednesday 9th September 2020.

Please ensure payment is made at time of booking as the system will automatically delete meals booked if the funds are not available at cut off.

Kind Regards

Finance Team
