

Dear Parent/ Carer,

As the children are returning to school on Monday, the laptop that was lent to you to support your child during this time can now be returned. In the event of any future bubble closures or remote learning needing to be undertaken again, you can request the loan of a laptop once more, however, we are very hopeful this will not be needed.

If the laptop and all of the accessories (sleeve/ bag, charger) could be returned to your child's class teacher next week we would greatly appreciate it. We will then ensure all data is wiped from them before using them as a whole school resource.

If there are any problems that have occurred with this equipment during the loan time, please get in contact with us at school prior to its return.

We hope that the laptop was really beneficial to you and your child during remote learning. If you have any further questions, please don't hesitate in getting in contact.

Many thanks,

Sophie Haycock

Deputy Head Teacher
