

A quick hello to my new class!

This is my second year working in the Year 5 team at Two Mile Ash, however I have been teaching for eleven years and in an education setting for nearly 15 years. I have worked in both Primary (Year 4-6 teacher) and Secondary education (English Teacher) as well as being Head of PE for three years. I have also trained as a Level 1 Korfbal Coach. I am looking forward to finding out all of your interests when we are together in September.

I live with my son Abel and our West Highland Terrier, Hamish. My son is set to go into Year 3 and loves Math and Minecraft! I have always lived in Milton Keynes and know Two Mile Ash well. Outside of work and family I enjoy many different sports, in particular - hockey, athletics, skiing and hiking, although I am not as quick as I used to be! Having studied English Literature at University, I love a good book and hope you do too.

I am thrilled to be teaching in Year 5 for another year as I think the curriculum is great. This last school year I have had a fantastic class, full of creative and diverse characters, and am sure you will be exactly the same. Just be yourself!

See you all soon 😊

Enjoy the holidays!
