

Meet the teacher

Miss Baldwin!

Hello everyone! My name is Miss Baldwin and I will be your new class teacher in September and the Head of Year 5 too! I have taught at Two Mile Ash for 3 years now and taught in years 3, 5 and 6 and I can't wait to head back to year 5 and teach the year 5 curriculum again! You may well recognise me from all the art videos over lockdown, knitting my lockdown scarf and also Take One Picture where I organised the art days for the whole school. Art is my favourite subject but if it's not your thing don't worry creativity comes in lots of ways! In the summer holidays I usually do lots of travelling but unfortunately, because of Covid-19, I haven't been able to so instead I've been challenging myself to walk many miles in and around Milton Keynes listening to my favourite music and podcasts. I have one older sister who challenges me every week to beat 10,000 steps each day so if you see me walking lots you know why! Learning new facts is one of my favourite things and I always make sure I share a smile with my class each day so bring your best reasons to smile in September!

My favourites

Colour: Yellow

Sport: Skiing and swimming

Hobby: Scuba Diving and tap dancing
