

Hi Year 5!

I am so excited to be moving up with you! I will be teaching a set in Year 5 this year as well as teaching all over the school as I did last year. I know you all really well so I will be the familiar face that you can come to whenever you need me.

This is my second taking a break to be

years. I am incredibly passionate about Mental Health and Wellbeing and love teaching you all it.

year back at TMA after with my children for ten

I live with my husband and two children. A lot of you already know Lucy and Poppy. Lucy is in Year 6 and Poppy in Year 4. I LOVE Harry Potter as most of you already know and I'm a Ravenclaw. I'm always happy to talk to you about the books and films. I spend most of my time doing things with the girls and can be found at their dance studio when I'm not at TMA. When I get the chance I love to spend time with my family and friends and really enjoy art and crafts. I like to paint and I love to sew. I enjoy doing Lego and I'm still working on

Diagon Alley which I got for my birthday in October! Maybe I'll get it finished in the summer!

I hope that you all have an amazing summer, I look forward to hearing all about it in September.
