Extended Curriculum Clubs Autumn Term 2021

Karate

An introduction into the basics of Karate is being offered and taught by a qualified instructor. Karate can build towards confidence, life skills, self-esteem and focus. It can also help with physical strength, fitness, and wellbeing. Children attending this club should come to school wearing PE Kit.

Raspberry Cooking Club

Established in 2007 this cookery school has been committed to teaching children of all ages about the importance of being able to cook for themselves and others. Instilling in their students an understanding of nutrition and basic kitchen skills, but most importantly fostering an ongoing curiosity about the food they eat. This club is a fun way to introduce your child to the satisfaction that comes from cooking for themselves and others. All ingredients are included in the price.

Guitar

This club is for those who want to learn the basics and develop guitar playing skills or who have some experience in playing the guitar. This club requires children to bring their own guitar and is delivered by a specialist external music teacher.

Stony Stratford Tennis Club

Following the success of our Summer Tennis sessions at Stony Stratford Tennis Club, we are pleased to offer the opportunity for children to learn and improve their skills and game play. Sessions are led by a fully qualified coach at the club with tennis rackets available to use. In October the courts will be covered by a dome allowing play to continue into November and December. It is the responsibility of parents/carers to drop-off and collect their child from this club.

Big Rock Climbing (Years 4, 5 & 6 only)

This is an opportunity to have a go at the exhilarating activity of rock climbing. Offering both physical and mental challenges at the right level for all this is a fantastic chance to have fun whilst learning balance, coordination, team work and social skills. Parents are required to drop-off and collect their child to and from sessions. Appropriate sports clothing and footwear is essential.

MK Basketball Club (Year 5 & 6 only)

Open to all abilities, an experienced Coach from MK Basketball Club will teach skills to support your child's development in this exciting sport. From different practices to game play, there is an opportunity to learn the game whilst also improving team work skills.
