

Sports Premium Policy 2021-2022

At Two Mile Ash School, high standards of achievement, behaviour and respect for each other, underpin everything we do. Our teachers strive to create independent, articulate thinkers and learners who have the confidence to realise their ambitions. Our pupils are happy, highly engaged and thrive from a rich and vibrant curriculum. This drives us in our pursuit for achieving excellence every day.

Evidencing the impact of the Primary PE and Sport Premium 2021-2022

The DfE Vision for the Primary PE and Sport Premium is that **ALL** pupils leave primary school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity and sport.

The funding has been provided to ensure impact against the following Objective and Indicators:

To achieve self-sustaining improvement in the quality of PE and sport in primary schools.

We would expect indicators of such improvement to include:

1. the engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
2. the profile of PE and sport being raised across the school as a tool for whole school improvement
3. increased confidence, knowledge and skills of all staff in teaching PE and sport
4. broader experience of a range of sports and activities offered to all pupils
5. increased participation in competitive sport

It is important to emphasise that the focus of spending must be sustainable and leave a lasting legacy beyond the funding allocation.

It is a statutory requirement of Ofsted, under their Common Inspection Framework, to ensure that information on the use of the Primary PE and Sport Premium is available on the school website. Schools also have a responsibility to publish on their website the percentage of children who achieve the expectation for swimming by the end of Year 6.

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer. You should not however use your funding to:

Meeting national curriculum requirements for swimming and water safety.

Percentage of current Year 6 cohort that can swim competently, confidently and proficiently over a distance of at least 25 metres	72%
Percentage of current Year 6 cohort that can use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	73%
Percentage of current Year 6 cohort that can perform safe self-rescue in different water-based situations?	59%
Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Two Mile Ash School has not used the premium to fund this in the academic year 2020-2021.	

employ coaches or specialist teachers to cover planning preparation and assessment (PPA) arrangements - these should come out of your core staffing budgets

- teach the minimum requirements of the national curriculum – including those specified for swimming.

Two Mile Ash School did not carry forward an underspend from 2019-20 academic year into the current academic year.

Indicator 1: The engagement of all pupils in regular physical activity – the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school.

Indicator 2: The profile of PE and sport being raised across the school as a tool for whole school improvement.

Intent	Implementation		Impact (School/Staff/Pupils) with Evidence	Sustainability / Next Steps
Actual Outcomes	Key Actions Taken	Actual Cost		
A safe, purposeful environment for learning gained for the delivery of PE and School Sport.	Regular grounds work carried out to ensure school field allowed for a safe PE learning environment. Athletics track and Rounders pitches marked out in the Summer Term which were utilised in school events.	£3,900	As a result of grounds work, pupils have been able to access large playing areas in school. This has resulted in increased movement and physical activity during break and lunchtimes.	Grounds work will continue to be carried out as necessary into next year. Sports markings will match the curriculum demands for each term.
	Safety checks and service completed on gymnastics equipment.	£561.18	Pupils have accessed safe, well-maintained equipment in gymnastics lessons.	Improvements made to equipment will be utilised in the long term. Further annual checks will be carried out.
Safe travel of pupils to extra-curricular activities and events.	Lease of two Mini-Buses	£9594	Pupils utilised this resource to attend various extra-curricular events. These events were across a range of sporting activities with a focus on developing skills as well as competitiveness.	As covid restrictions are lifted, increased numbers of pupils will access extra-curricular experiences outside of school. Therefore, the mini busses will be increasingly utilised to safely transport pupils and staff to these events.
High standards in staff uniform have encouraged consistency in pupil PE Kit.	Purchase of long-term, smart staff uniform with school logo on. Monitoring pupils' PE Kit	£297.07	A positive ethos and high standards in PE and School Sport across the school. Almost all pupils consistently attend school in correct PE Kit.	Continued monitoring of PE Kit will take place in 2021-22. Clean spare kit will be leant to pupils without correct kit with communication made with

				parents and families to support them and their child.
