

Summer Term
2022

Year 3 Learning Journey

French:

This term we will start by learning days of the week and continuing numbers to 31. This will lead into learning about months of the year and being able to say when our birthdays are. Lastly, we will learn about items in the classroom and in your pencil case.

Science:

During the summer term, we will be looking at forces and magnets, as well as the human body and healthy eating. We will investigate the push and pull forces and look at properties of magnets and magnetic materials.

Later on, we will discuss the elements of a healthy meal and how the human body is structured.

PE:

During the summer term, we will look at the fundamentals of Athletics including a variety of track and field events. We will learn to run for speed and distance as well as working in teams in running challenges. We will also learn to throw and jump for distance, trying to beat our personal bests.

As well as Athletics, we will look at games areas Cricket, Rounders and Tennis. The aims include to develop hand-eye co-ordination, to work both as an individual and in a team. We will develop bowling, batting, throwing and catching techniques and gradually introduce games.

Computing:

During the summer term, Year 3 pupils will learn how information in a database is organised and interrogated. Following a theme of an imaginary travel website. They use a prepared database to find information about holidays and add records using information found online.

Music:

This term, the children will be continuing to develop their woodwind skills through the ocarina, in preparation for learning the recorder next year. They are also beginning to look at formal written music alongside the informal method they have been using throughout Year 3 so far, as well as focusing on note length and tone.

RE:

In RE we will continue to develop our understanding of Christianity. We will look at moral dilemmas and how Christians solve them. We will continue to learn more about who Jesus was and what he said, taking into account other points of view as well as including our own opinions.

PSHE:

We will be learning about how we have changed since we were born. We will discuss things we can do now that we couldn't when we were smaller and learning that not all families are the same but all families give us support in different ways.
