

Autumn Term
2022

Year 3 Learning Journey

French:

This term, we will develop our basic knowledge of common French phrases and vocabulary. We will learn basic greetings and questions, how to introduce ourselves, numbers to 20 and parts of our family and homes. We will also learn the first 12 phonics sounds.

Computing:

During the autumn term, Year 3 pupils will be learning all about the importance of E-safety. We will learn how to use technology safely, responsibly and respectfully. This will include learning about sharing information, passwords and privacy settings, phishing and being kind to others. We will also be looking at the basics of word processing including keyboard skills, touch typing and formatting.

Science:

During the autumn term, we will be looking at rocks and fossils and their properties. Using a variety of equipment, we will investigate the different types of rocks and their permeability. We will also research how different rocks are formed such as igneous, sedimentary and metamorphic rocks.

Music:

This term, the children will be experiencing different pieces of classical music and using them as inspiration for their own creative responses. They will see and hear music from through the ages, including modern compositions, and use these as a basis for art, mime and improvisation.

RE:

In Year 3, we will be looking at features of churches and how the inside of churches vary depending on the time of year. We will also be learning about the Christmas story and why this is important to Christians.

PE:

Following an introduction to PE at TMA, this term we will learn the fundamental skills needed in activity areas. We will then apply these to invasion games Football and Netball. As well as this, we will explore Gymnastics and take on running challenges both on our own and as part of a team. There will be opportunity for competition in Football, Cross Country and Dodgeball.

Art:

In the autumn term, we will be experimenting with a range of brush techniques and using different mediums to produce Stone Age inspired artwork, in line with our Learning Journey topic.

PSHE:

This term, we will be looking at the importance of rules and how they help to maintain our health and safety in school. We will also be learning how to make informed choices, whilst acknowledging that actions have consequences. Also, we will investigate what it means to have a balanced diet and the impact their choices about food make to their overall well-being.
