

Dear Parents and Carers

Harvest 2022 at Two Mile Ash School

This year, we will be once again celebrating Harvest in our school. This we feel is a very special time of the year for both our children and staff. We will be holding a whole school assembly, with Reverend Mike Morris, who will be talking about and celebrating Harvest with the children on the 13th October 2022.

During harvest, we like to take the time to support others in our community. We know particularly this year; a lot of families may be using the food bank for help this winter. If you feel you can make a small donation for the food bank, we know what a big difference this can make. We kindly request donations of any item/s of food on the list provided below by the latest the morning of 13th October. All our food items will then be donated to the Milton Keynes Foodbank to assist those families that need the support.

Please do ensure that whatever item you send in is well within the 'use by' date. If you are able to donate an item, please give this to your child to bring into their classroom.

We thank you in advance for your donations. If you have any further questions about our harvest activities, please do not hesitate to come and see me.

Yours sincerely
Mrs S. Govender
