

## Evidencing the impact of the Primary PE and Sport Premium

2021-2022

The DfE Vision for the Primary PE and Sport Premium **ALL** pupils leaving primary school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity and sport.

The funding has been provided to ensure impact against the following Objective and Indicators:

### **To achieve self-sustaining improvement in the quality of PE and sport in primary schools.**

We would expect indicators of such improvement to include:

1. the engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
2. the profile of PE and sport being raised across the school as a tool for whole school improvement
3. increased confidence, knowledge and skills of all staff in teaching PE and sport
4. broader experience of a range of sports and activities offered to all pupils
5. increased participation in competitive sport

It is important to emphasise that the focus of spending must be sustainable and leave a lasting legacy beyond the funding allocation.

It is a statutory requirement of Ofsted, under their Common Inspection Framework, to ensure that information on the use of the Primary PE and Sport Premium is available on the school website. Schools also have a responsibility to publish on their website the % of children who achieve the expectation for swimming by the end of Year 6.

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer. You should not however use your funding to:

- employ coaches or specialist teachers to cover planning preparation and assessment (PPA) arrangements - these should come out of your core staffing budgets
- teach the minimum requirements of the national curriculum – including those specified for swimming.

**Two Mile Ash School did not carry forward an underspend from 2020-21 academic year into the current academic year.**

<b>Meeting national curriculum requirements for swimming and water safety.</b>	
Percentage of current Year 6 cohort that can swim competently, confidently and proficiently over a distance of at least 25 metres	79%
Percentage of current Year 6 cohort that can use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	72%
Percentage of current Year 6 cohort that can perform safe self-rescue in different water-based situations?	65%
Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity <b>over and above</b> the national curriculum requirements. Two Mile Ash School <b>has not</b> used the premium to fund this in the academic year 2021-2022.

## 2021-2022

**Indicator 1:** The engagement of all pupils in regular physical activity – the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school.

Intent	Implementation		Impact (School/Staff/Pupils) with Evidence	Sustainability / Next Steps
Actual Outcomes	Key Actions Taken	Actual Cost		
Increased physical activity levels of pupils during break and lunchtimes due to a wider range of activities available.	New resources including: <ul style="list-style-type: none"> <li>- 3 x Outdoor Table Tennis Tables with bats and balls.</li> <li>- Footballs</li> <li>- Slack Lines</li> <li>- Skipping &amp; Ankle Ropes</li> <li>- Frisbees</li> <li>- Balls / Hoops / Catch pads / Bean bags / Quoits</li> <li>- Parachute</li> </ul>	£3,404.86	Increased engagement in physical activities during break and lunchtimes. Children are using resources that were not previously available. Table Tennis Tables have been very popular with children at break and lunchtimes with lots of children involved. Midday Supervisors believe behaviour of children has improved because children are occupied with activities.	Resources are well looked after and the high quality of them means they will last a long period of time. Next step - training young people to lead more structured games during break and lunchtimes (and hand out / collect equipment to ensure it is all well looked after) Sport leaders will arrange and lead Table Tennis House competitions.

**Indicator 2:** The profile of PE and sport being raised across the school as a tool for whole school improvement.

<b>Intent</b>	<b>Implementation</b>		<b>Impact (School/Staff/Pupils) with Evidence</b>	<b>Sustainability / Next Steps</b>

A safe, purposeful environment for learning gained for the delivery of PE and School Sport.	Regular grounds maintenance carried out to ensure a safe PE learning environment. Athletics track and Football pitches line markings utilised for PE lessons and school fixtures / competitions.	£1,303.85	As a result of grounds work, pupils have been able to access large playing areas in school. This has resulted in increased movement and physical activity during break and lunchtimes.	Grounds work will continue to be carried out as necessary into next year. Sports markings will match the curriculum demands for each term.
	Safety checks and service completed on indoor and outdoor PE Equipment.		Pupils have accessed safe, well-maintained equipment in gymnastics lessons.	Improvements made to equipment will be utilised in the long term. Further annual checks will be carried out.
Safe travel of pupils to extra-curricular activities and events.	Lease of two Mini-Buses (August-February 2022) Lease of one Mini-Bus (July – August 2022)	£8,989.37	Pupils across the school have utilised this resource to attend various extra-curricular events as well as swimming lessons. Attendance at over 80 sports fixtures/competitions across a range of activity areas with a focus on developing skills as well as competing.	Continue to provide increased numbers of pupils' access to extra-curricular experiences including competition outside of school. Therefore, the mini bus will be utilised to safely transport pupils and staff to these events.
High standards in staff uniform have encouraged consistency in pupil PE Kit.	Purchase of long-term, smart staff uniform with school logo on. Monitoring pupils' PE Kit	£357.97	A positive ethos and high standards in PE and School Sport across the school. Increased number of pupils consistently attend school in correct PE Kit.	Continued monitoring of PE Kit will take place in 2022-23. Investment in squad kits next year to build upon 'pride to represent' the school.

Recognition of pupils' successes in PE and School Sport	Groups of children rewarded with lunches and certificates to celebrate successes.	£146.91	Children have appreciated the recognition of their successes and enjoyed this recognition with peers. It has led to children having a desire to continue to work hard for success.	Looking into alternative ways to reward increasing numbers of children. Other methods of rewarding children including medals in events that are organised by TMA.
Heighten the ethos of PE and School Sport amongst children, staff and parents in school	PE and School Sport Creed displayed on acrylic sign in Main School Hall	£505.02	The creed has been referred to throughout the year so that children, parents and staff can relate to the values and vision we are striving for in school sport and PE.	This sign is permanent and will continue to be referred to in the future to both current and future children, parents and staff.
