## **Extended Clubs Summer Term 2022**

### **Karate**

For beginners and those that have already attended previously (intermediate), Karate Club is taught by a qualified instructor. Karate can build towards confidence, life skills, self-esteem and focus. It can also help with physical strength, fitness, and wellbeing. In the final session, children will compete a grading session and receive a belt to recognise their hard work. Children attending this club should come to school wearing PE Kit.

### **Raspberry Cooking Club**

Established in 2007 this cookery school has been committed to teaching children of all ages about the importance of being able to cook for themselves and others. Instilling in their students an understanding of nutrition and basic kitchen skills, but most importantly fostering an ongoing curiosity about the food they eat. This club is a fun way to introduce your child to the satisfaction that comes from cooking for themselves and others. All ingredients are included in the price.

### **Guitar**

This club is for both those who want to learn the basics (beginners) and develop guitar playing skills or who have some experience in playing the guitar (intermediate). Children that have previously attended the club are welcome to further their learning. This club requires children to bring their own guitar and is delivered by a specialist external music teacher.

### **MK Basketball Club**

Open to boys and girls of all abilities, an experienced Coach from MK Basketball Club will deliver fun sessions to support your child's development in this exciting sport. From different practices to game play, there is an opportunity to learn the game whilst also improving teamwork skills and maybe even meet new friends! Children attending this club should come to school wearing PE Kit.

### **Abbey Hill Golf Centre**

Are you keen to try out a new sport? Or maybe you are already a keen golfer! This club offers children of all abilities the opportunity to be taught by a Professional Golfer. You will get the chance to improve in many areas of golf including teeing-off/driving, pitching, putting and chipping. As you progress you will get access to practice areas such as the driving range, practice greens as well as holes on the course. All balls and equipment are included. Please arrive in appropriate sportswear. Parents are required to take and collect their child.

### **MK Springers Gymnastics**

Based just a stones-throw away from Two Mile Ash in Kiln Farm, MK Springers is the perfect place to learn new gymnastics skills in a fun, welcoming environment. The fully qualified and DBS-checked coaches at MK Springers will provide a series of fun sessions exploring the various, fantastic equipment and resources inside the Gymnastics Centre. Boys and girls from all year groups are welcome! Appropriate sportswear must be worn with jewellery removed and hair tied back. Parents are required to take and collect their child.

### **Brazilian Soccer**

Following an introduction to what they offer in the Summer Term last year, we are delighted to have Brazilian Soccer offer TMA pupils the chance to improve their football skills. These exciting sessions, which

include the fun of samba music, are delivered by specialist, DBS-checked coaches. Boys and girls of all abilities are welcome. Children attending this club should come to school wearing PE Kit.
