

Dear parent/carer,  
Please see the following useful information regarding Local art visits!

**15 October 2022 - 15 January 2023**

**10am – 5pm**

**SEND friendly opening: 29th of October 2022**

MK Gallery have a new new exhibition coming soon about British-Ghanaian artist Larry Achiampong who works in film, sculpture, installation, sound, collage, music and performance. His work draws on popular culture and his communal and personal heritage.

## **Intergalactic Family Fun Day**

**29 October 2022**

**12pm – 4pm**

Head into space this October half term. Put on your space suit and moonboots to help us discover hidden life on the planets in a family friendly afternoon for all ages.

Expect a spooky space silent disco, pumpkin rolling, space themed arts activities including alien making and much more! Don't forget to pop in and spot the spaceship in the free [Project Space exhibition](#).

### **Fancy Dress Competition**

Come dressed in your best space or spooktacular costume for the chance to win a family ticket to our Sky Room Cinema. Good luck!

Check out MK Art gallery's information for more details!

While we will not be visiting as a school this is information for any parents who would like to take their child to the local art gallery and see art in situ! There will however be lots of exciting art opportunities taking place this year!!
