

World Book Day 2023

We will be celebrating World Book day on Thursday 2nd March 2023. This year the theme is, 'You are a reader, 'which as a reading school, we hold close to our hearts. We have lots of engaging reading activities for the children to participate in during the school day. Over February half term, we will be sending out a Read to Succeed homework that the children can bring in nearer to World Book Day. To add to the excitement, we would like the children to either dress as a character from a book or to show- off their knowledge of powerful vocabulary by dressing up as a word. This could even be from a part of the curriculum that they have been taught this year. We know the children like to participate in dressing up so we wanted to share this date with you in plenty of time to get the creative juices flowing.

We are looking forward to celebrating World Book day and sharing more information closer to the date.
