

RE: Two Mile Ash Year 3, 4 and 6 2023 Residential Visits

Thank you to all of those parents that dropped-in this week for our information evening. If you were unable to attend, then please feel free to contact your child's class teacher or head of year to ask any additional questions that you may have.

In addition, please note the clerical error on the medical forms that were sent home before half term. Can you please amend the 'ISLE OF WIGHT' with the correct year and name of your visit before return promptly by the deadline.

Finally, please be aware that all outstanding payments are now overdue for the Year 3 and 4 visits.

Many thanks and as always, please do not hesitate with any questions you might have.

Adam Shirley  
Head of School Visits
