

Dear parent/carer,

British Science Week will soon be with us. It takes place between 10-19 March 2023 and this year's theme is 'connections'. We are inviting pupils to take part in a national poster competition we will be submitting one entry per year group. Entries are to be completed on A4 or A3 paper and the deadline is Friday 24<sup>th</sup> March 2023. Get your thinking caps on, connect and create! We can't wait to see the entries!

Thank you.

# The British Science Week

## 2023 POSTER COMPETITION

Deadline for entries Friday 24th March 2023

The theme this year is 'Connections', so there are loads of STEM topics that could be explored! How about exploring how our body parts are all connected and work together, the connection between our actions and the impact on our environment, or even how internet connection has changed the world.

Here's the low-down on what the judges will be looking for:

### **Creativity in approach**

Innovative angle on the content or creative interpretation of the theme

### **Content**

Clear, accurate and informative about a STEM topic

### **Effective communication**

presented and communicated in an engaging way

One winner per class  
and an overall year group winner  
whose entry will be submitted
