

Evidencing the impact of the Primary PE and Sport Premium

2022-2023

The DfE Vision for the Primary PE and Sport Premium **ALL** pupils leaving primary school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity and sport.

The funding has been provided to ensure impact against the following Objective and Indicators:

To achieve self-sustaining improvement in the quality of PE and sport in primary schools.

We would expect indicators of such improvement to include:

1. the engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
2. the profile of PE and sport being raised across the school as a tool for whole school improvement
3. increased confidence, knowledge and skills of all staff in teaching PE and sport
4. broader experience of a range of sports and activities offered to all pupils
5. increased participation in competitive sport

It is important to emphasise that the focus of spending must be sustainable and leave a lasting legacy beyond the funding allocation.

It is a statutory requirement of Ofsted, under their Common Inspection Framework, to ensure that information on the use of the Primary PE and Sport Premium is available on the school website. Schools also have a responsibility to publish on their website the % of children who achieve the expectation for swimming by the end of Year 6.

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer. You should not however use your funding to:

- employ coaches or specialist teachers to cover planning preparation and assessment (PPA) arrangements - these should come out of your core staffing budgets
- teach the minimum requirements of the national curriculum – including those specified for swimming.

Two Mile Ash School did not carry forward an underspend from 2019-20 academic year into the current academic year.

Meeting national curriculum requirements for swimming and water safety.	
Percentage of current Year 6 cohort that can swim competently, confidently and proficiently over a distance of at least 25 metres	62%
Percentage of current Year 6 cohort that can use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	48%
Percentage of current Year 6 cohort that can perform safe self-rescue in different water-based situations?	58%
Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming, but this must be for activity over and above the national curriculum requirements. Two Mile Ash School has not used the premium to fund this in the academic year 2022-2023.	

Academic Year:	2022-2023
Total Funding Allocation	£22,800
Actual Funding Spent (Minimum/Maximum)	£20,732
Funding to carry over into 2023/24	£2,068

Two Mile Ash Primary PE & Sport Premium Review

2022-2023

Indicator 1: The engagement of all pupils in regular physical activity – the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school.

Intent	Implementation		Impact (School/Staff/Pupils) with Evidence	Sustainability / Next Steps
Actual Outcomes	Key Actions Taken	Actual Cost		
Increased participation in physical activity during breaktimes and lunchtimes to support pupil engagement in at least 30 active school minutes.	Investment in equipment for pupils to utilise during break and lunchtimes including: <ul style="list-style-type: none"> - Football Goals - Footballs - Skipping Ropes - Bluetooth Speaker - Table Tennis Balls - Team Bands - Ninja Slacklines - Storage boxes - Padlocks 	£1028.00	Children have enjoyed having access to a range of equipment and activities at break and lunchtimes. Most popular activities have been football, basketball, table tennis and skipping. In the summer term, groups of Year 5 & 6 pupils started up cheerleading clubs, making use of a Bluetooth speaker to dance to.	To ensure equipment is well maintained, new storage tubs and boxes have been purchased. Play leaders will be introduced next year to collect and hand out equipment, as well as support midday supervisors to promote more play. Slacklines to be introduced in September as part of a supervised lunch club.
To promote healthier, sustainable travel to school whilst supporting pupils' aim to engage in at least 60 active minutes per day.	Resources purchased to support Walking / Cycling / Scooting to school initiatives for example: <ul style="list-style-type: none"> - Walk to school week. - Pedal for prizes - Bike Week - Walking Bubbles 	£64.00	Increased number of pupils walking/cycling/scooting to school. Noticeable increase in number of bikes and scooters coming into school since Easter (up to 80 bikes and 20 scooters per day!) Walk to School Week initiative saw a total of 1350 walk/cycle to school for Year 3 & 4.	Two Mile Ash School achieved Bronze Level Modeshift Stars Schools accreditation. Next year we will continue to push initiatives which promote sustainable travel habits in the hope to achieve Silver Level. A working group of 2 staff and at least 2 pupils (ambassadors) will be established.

To include lunchtime clubs at part of active lunchtimes	Coaches from local sports clubs MK Breakers Basketball Club and MK Netters Netball Club have provided clubs to pupils during lunchtimes. Some of these clubs supported the preparation for pupils representing the school at County Finals.	£211.00	Popularity of Basketball and Netball has grown in the school thanks to last year's purchase of basketball nets and balls as well as this year's investment in new Netball equipment. Across this year, over 150 pupils have accessed lunchtime basketball and netball coaching during lunchtimes. Our Year 5 & 6 Basketball and Netball teams enjoyed success at both MK and Bucks schools competitions.	Whilst maintaining our positive link with MK Breakers, we are going to explore further local sports clubs and coaches to offer opportunities for lunchtime clubs including Netball.

Indicator 2: The profile of PE and sport being raised across the school as a tool for whole school improvement.

Intent	Implementation		Impact (School/Staff/Pupils) with Evidence	Sustainability / Next Steps
Actual Outcomes	Key Actions Taken	Actual Cost		
To increase the quality and quantity of the fixtures Two Mile Ash School hosts after-school.	Investment in resources to support in hosting fixtures and competitions such as: <ul style="list-style-type: none"> - Metal Football Goals & Nets (x4) - Telescopic Netball Posts (x4) - Netball Bibs - Tag Rugby Belts - Cross Country barrier Posts and Rope - Walkie Talkies 	£2378.00	Awarded MKSSP Sport School of the Year 2023. To help achieve this a total of 50 different sports fixtures held at Two Mile Ash School to over 12 different schools across Milton Keynes. These have provided opportunities for many children to represent their school. We now have many strong links with schools, supporting us to build a positive reputation for school sport.	With these resources, we can continue to host events with an aim to branch out to further schools across MK. We aim to further develop the number of competitions we host for IfTL Trust events, as well as supporting our SGOs with MKSSP event hosting.

<p>To build upon the success of the Women's Euros 2022 to enhance our provision for Girls Football within School.</p>	<p>A new football kit for our Year 5/6 Girls' Teams to wear when representing the school. Additional equipment also purchased to support such as:</p> <ul style="list-style-type: none"> - Shin Pads - Captain arm bands - Ball Tubes - Storage Boxes 	<p>£621.50</p>	<p>In conjunction with our School's FA Girls Football pledge, we have increased our number of opportunities for girls to play football through extra-curricular opportunities. These include clubs, intra-house competitions and representing the school. 120 girls took part in Spring Term House Football events (up from 67 in Autumn). Over 80 girls representing the school. Over 20 girls football fixtures/competitions involved in including weekly MKSSP Year 3/4 & 5/6 Football Leagues.</p>	<p>Our pledge to the FA is to at least equal the number of opportunities we provide for girls to play football next academic year (number of fixtures and competitions against other schools) with an aim to increase our number of girls representing in both intra & inter schools events.</p>
<p>To promote high standards in PE kit and School Sport uniform.</p>	<p>Staff Uniform and embroidery including warm jackets and jumpers purchased to be worn by PE & School Sport Staff in PE and at events</p>	<p>£846.00</p>	<p>The standard for kit and uniform in PE and School Sport is very high with excellent PE kit record amongst pupils. We attend competitions and events with an ethos of pride – kit standards are a key part in achieving this pride when representing the school.</p>	<p>We intend to invest in further items of school sport kit for pupils next year including school sport jumpers/fleeces for those representing the school to keep them warm at outdoor events (and travelling).</p>
<p>To celebrate and highlight our school sport successes and achievements.</p>	<p>Trophy Cabinet purchased to present awards in school sport. Pinboard to go up in school to display photos, news of events and promote local community sports clubs. 'Scrap Book' on display in School Reception displaying school sport team photos.</p>	<p>£356.00</p>	<p>The display of our achievements and successes that we are proud of at TMA helps to give visitors, staff, parents and pupils an insight to what we do. The hope is that this supports the enhancement of our reputation as a positive sporting school within Milton Keynes and Bucks.</p>	<p>With our new trophy display cabinet, the aim next year is to include photos with trophies to provide a link between the achievement and the pupils that were associated to this. We strive for future successes that can be displayed and shared with members of our school community.</p>

To celebrate and reward pupils for achievements in school sport.	Reward Lunches in the school hall to celebrate team and individual successes each term. Medals and trophies purchased to display and celebrate major team successes in MK & County Basketball, Cricket, Netball, Athletics and Gymnastics.	£436.00	Rewards have provided additional motivation and pleasure for children that have achieved notable successes at both district and county level for the school.	We will continue to run these termly rewards at lunchtimes for pupils. We also aim to introduce weekly recognition awards for pupils in PE and School Sport (eg. Stars of the Week badges)
To maintain high standards in the sport facilities within school.	Field Markings (Winter & Summer) as well as maintenance such as grass cutting.	£630.00	Markings on the field have supported our delivery of curriculum areas such as football, athletics and rounders. In addition to this, the markings have provided appropriate environment to host events in these sports.	Contract with grounds team to continue into 2023/24 with a vision to adapt markings to further maximise space and therefore maximise participation in events including football, tag rugby, athletics, cricket and rounders.
	Safety Checks – Gymnastics apparatus and equipment	£124.00	Checks ensure the apparatus and equipment pupils access in Gymnastics lessons are safe and fit for purpose.	These checks will continue to be made annually with repairs/replacements made where necessary.

Indicator 3: Increased confidence, knowledge and skills of all staff in teaching Physical Education and sport

Intent	Implementation		Impact (School/Staff/Pupils) with Evidence	Sustainability / Next Steps
	Actual Outcomes	Key Actions Taken		
To support staff with the incorporation of IT into PE and School Sport.	Purchase of two Samsung Galaxy Tablets & Cases	£221.50	These devices have provided PE Staff with a resource that can record and track data more efficiently, play music via Bluetooth in Dance and Fitness sessions as well as capture moments via the built in camera. These have been used	These devices have hard-wearing cases and are looked after to ensure they will last. We aim to purchase more of these devices to utilise in PE sessions for video analysis and for non-participants to use for tasks.

			for video analysis (e.g., gymnastics)	
To ensure minibus drivers receive up-to-date training.	Midas Training for four members of staff that support with transportation of pupils to sports events.	£450.00	With six fully trained minibus drivers, we can safely transport pupils to events using our school minibus.	Further Midas minibus training courses will be booked when they expire.
To keep PE Staff up to date with key issues, ideas and resources	Association for PE Membership for 2022/23	£152.00	Membership has provided key resources including risk assessment proformas and health and safety guidance. In addition to this, PE staff have accessed journal articles on current, key issues in relation to the subject area.	We have renewed a subscription to be members of the AfPE into 2023/24, with the intent to further utilise the resources and support including CPD opportunities.

Indicator 4: Broader experience of a range of sports and activities offered to all pupils.

Intent	Implementation		Impact (School/Staff/Pupils) with Evidence	Sustainability / Next Steps
