Re: PATH Parent Governors

Dear Parents / Carers,

As members of our PATH community, we would like to share an opportunity for you to actively participate in the selection process for recruiting one PATH Parent Governor. You may be aware that we recently sought nominations for the position of a Parent Governor for the PATH Partnership. This position plays a key role in representing the views and interests of parents, while contributing to the strategic development of our three schools.

Each applicant has provided a brief statement outlining their skills, experience and reasons for their interests in becoming a Parent Governor. These statements can be accessed using the link below.

We kindly request that you take time to read through each statement and consider the candidates' suitability for this important role. We encourage you to cast your votes, expressing your preferences for the **one candidate** whom you believe will best serve the interests of our PATH Community.

The voting will open today and will close on Monday 16th October at 12 o'clock midday.

Please submit your vote electronically using the link below. All votes will be treated with the utmost confidentiality, and the appointed Parent Governor will be announced later in the week, after the voting period has closed.
