

Do you want to be part of the

TMA GREEN TEAM?

We are looking for Green Ambassadors to help push forwards plans to improve TMA's drive to be more sustainable as a school and community. This year, we are going to be following the WWF's Green Ambassadors programme to continue improving the work our previous Eco Warriors started.

If you would like to apply to be a Green Ambassador, please create a poster with an idea of how we could be more sustainable around school. For further ideas please scan this QR code

All named entries need to be handed to your class teacher by **Wednesday 1st November.**

We can't wait to see your interesting and sustainable ideas!
