MK Breakers Basketball Club take on Newham All Stars (NASSA) from London at **Bletchley Leisure Centre**, (Princes Way, Bletchley, Milton Keynes, MK2 2HQ) in a National Basketball Division 2 clash. Expect high-flying, end to end basketball as the Breakers continue to push for promotion to the NBL Division 1. Doors open at 4:15pm with 'Tip Off' time at **5pm**.

Two Mile Ash School children will also have the chance to **meet players after the game** for photos and autographs.

This 'Game Day' opportunity gives us as a school an opportunity to come together to **support** this community basketball club that provides basketball for over 900 children aged 4+ in Milton Keynes. At Two Mile Ash School we are proud to have a link with MK Breakers, who offer both lunchtime and after-school clubs for pupils. If your child is interested in playing basketball out of school, visit www.mkbasketball.club to find various session dates and times.

On Friday, 3rd November 2023, we are pleased to be inviting male and female representatives of MK Breakers into school to deliver an **assembly** where children will have the opportunity to ask questions and find out more about this ever-growing sport in Milton Keynes.
