

RE: Mayan Day - Friday 24th November 2023

Dear parent/carer

I am writing to inform you that on Friday of this week, we will be celebrating our current history topic by participating in a full day of Mayan based activities. The day will involve children experiencing a range of practical activities such as Mayan coding, alphabet creating, face mask design, board games and a traditional Mayan ball game, as well as smaller craft activities.

This is a non-dress-up day so no additional preparation is required at your end, and please note that PE and swimming sessions will continue as normal.

Many thanks as always for your continued support,

Mr Shirley

Head of Year 4
