Class 5LN

Dear Parents and Carers,

I am writing to inform you of a change of teaching staff for Class 5LN. Miss Norman, who has been an invaluable member of the TMA teaching team for several years, has recently accepted a teaching position much closer to home and will leave us at the end of the Autumn Term. While it will be very sad to see Miss Norman leave, we understand and support her decision and wish her all the very best in her future teaching career.

To ensure a smooth transition for your child, we have appointed an experienced Key Stage Two teacher, Mr Joel Oakley, to take over the responsibility of the class from January 2024. We understand that change can be difficult and want to assure you that we are committed to supporting your child with this change. Mr Oakley and Miss Norman are working closely together to ensure a smooth transition period.

We are excited to welcome Mr Oakley to TMA and he is really looking forward to getting to know all the children in the class.

If you have any questions, please do not hesitate to contact Mr Ruffett (Head of Year 5).

With best wishes,

Lucy Eldridge

Headteacher of Two Mile Ash School
