

Dear Parent/carer,

Unfortunately, we have had a situation today whereby 40 children did not have a meal booked nor did they have a packed lunch brought in.

Please can you ensure that all meals are booked on ParentPay for your child/children, or that they provided with a packed lunch.

Meals **MUST** be booked by the Wednesday prior to the week ahead, as our catering supplier will only supply food for those with bookings going forward.

Kind regards
