

## Year 6 SATs evening

Thank you to all the parents who attended. If you didn't come but would like to order some CGP books through us at a discounted price, please see the list attached and pay via parentpay by Thursday, 7th December. Books will be delivered before Christmas.

You can view the books on the CGP website to check that you are ordering the correct ones for your child. They offer a huge range of books other than those which we can offer at a discount.

Packs highlighted in yellow offer more support.

Packs highlighted in green are aimed at children working towards GD level. The others are aimed at children wanting to achieve and consolidate their learning to reach expected standard. Some children may benefit from the GD books also. If in doubt, please contact your child's class teacher.
