

Dear Year 5 and 6 Parent/ Carer,

All Year 5 and 6 pupils have had an exciting two days setting up their iPad in school. We are now in a position to send these home. Your child will come home with their iPad and charging cable tomorrow, Tuesday 15th January.

If your child doesn't come home with their iPad this is because 'parent/carer' haven't confirmed consent. If this is the case your child's class teacher should have already been in contact. However if you log onto your Parentpay account you can still confirm this by clicking on 'iPads' and ticking the consent.

Pupils have also been reminded about our iPad rules below.

We look forward to taking the journey with iPads all together. If you are also a parent of a Year 4 or 3 child, they will receive their iPads later this week and we will inform you once this has happened.

As always should you have any questions please contact your child's class teacher.

Many thanks  
Mr Tom Ruffett
