

Dear Year 6 Parent/ Carer,

I am writing to clarify that we are now in the position to send home our 1:1 devices today. We can only apologise for the delay but we wanted to make sure all apps were updated and the children had everything they needed before sending these home. Your child will come home with their iPad and charging cable this afternoon, Wednesday 17<sup>th</sup> January 2024. We have also gone over the expectations for the use of these iPads with the children today but these are provided below for you.

As communicated yesterday, we have made contact with parents who are yet to return the consent form. If you are still yet to return this form please do log onto Parentpay to confirm this by clicking on 'iPads' and ticking the consent.

We look forward to taking the journey with iPads all together.

As always should you have any questions please contact your child's class teacher.

## **Taking care of your device**

**By accepting this iPad, I agree to:**

- Take care of my iPad and my charger
- Keep my iPad in its case
- Only use my iPad as an educational tool
- Carry it in my school bag and keep it out of sight when travelling to/from school
- Only use my iPad in school or at home
- Make sure my iPad is charged each day
- Tell someone if I see something online that doesn't feel right
- Only use websites/apps that you are told to by school

We thank you for your continued support,

Miss Charlotte Baldwin

Head of Year 6
