

Dear Parents and Carers

Tomorrow children in Year 3 will be tasting a variety of fruits as part of their DT project for preparing and making Fruit tarts.

If there is any medical reason why your child can not participate in this activity, please could you contact Matron at TMA in the morning by 9am. Please also be aware that children will also be tasting pastry on Wednesday consisting of plain flour, butter, and water. Thank you

Kind regards,

The Year 3 team
