

Dear Parent/ Carer,

During the Spring term, we hold our English and maths parents evening across school. This year we have decided to space these parents consultations across this term.

Year 6 parents will have received information today explaining that Parents consultation evenings for Year 6 ONLY will be Tuesday 13th, Wednesday 14th and Thursday 15th February.

For Years 3,4 and 5 their English and maths parents consultations will be later in the Spring term . We will communicate this date after half term. This is due to where the assessment weeks fall for these year groups. Holding these parents consultations later, teachers will be able to give the most current teacher assessments as well as feedback on the children's individual assessments.

If you have any further questions, please do not hesitate to get in contact with your child's class teacher.

Many thanks,

Two Mile Ash School
