

Dear Parents/ Carers,

I am sending you this email to confirm what to do on Bug Club, as per emails sent to me over the recent weeks.

Bug Club is an online resource we use to help children become confident and motivated readers, whereby we have over 500 books available to set our children.

At Two Mile Ash, we allocate 7 books a term for the children to read (from January that would be equivalent to just over one book every fortnight).

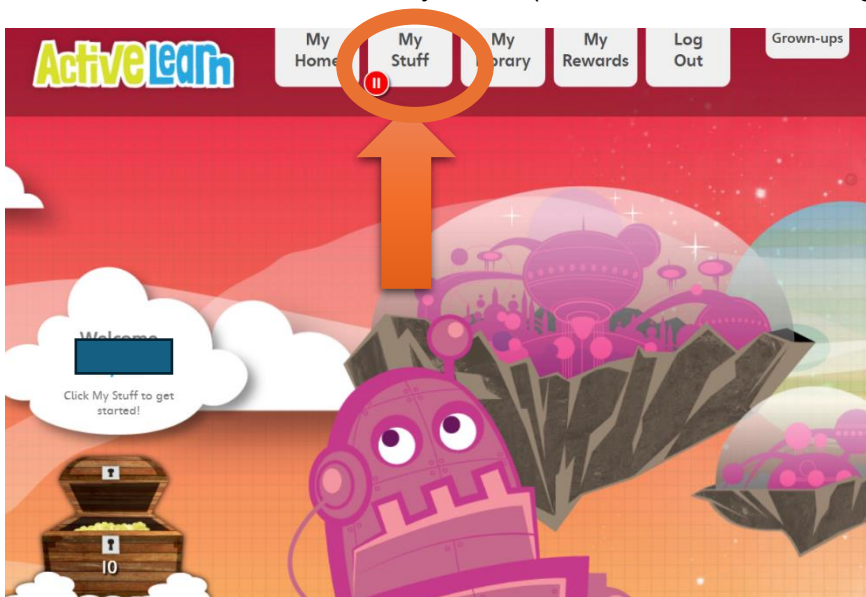

If your child is on one of our Read Write Inc phonics books, your child will not be set a Bug Club book. We encourage you and your child to read their Read Write Inc phonics book each night to continue practicing the sounds they are learning in their daily phonics lessons. You will see on their Bug Club that they may have been set texts that they have been reading in English lessons, please feel free to re-read these with your child but the main focus is their daily practice with their Read Write Inc phonics reading book. .

Bug club can be accessed through the following link:

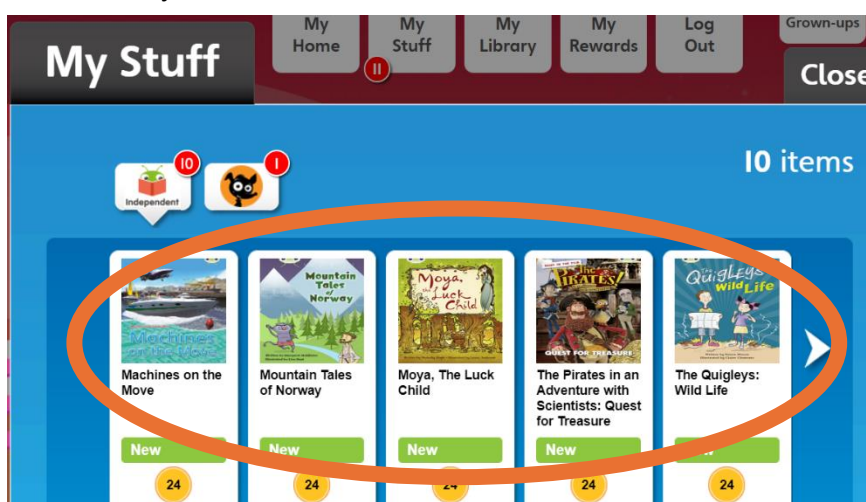

<https://www.activelearnprimary.co.uk/login?e=-1&c=0>

I have included a guide on how to use Bug Club here:

- 1) When logging into Bug Club you will be met with this page, your child should go into the section labelled "My Stuff". (children will have their logins in their reading record).

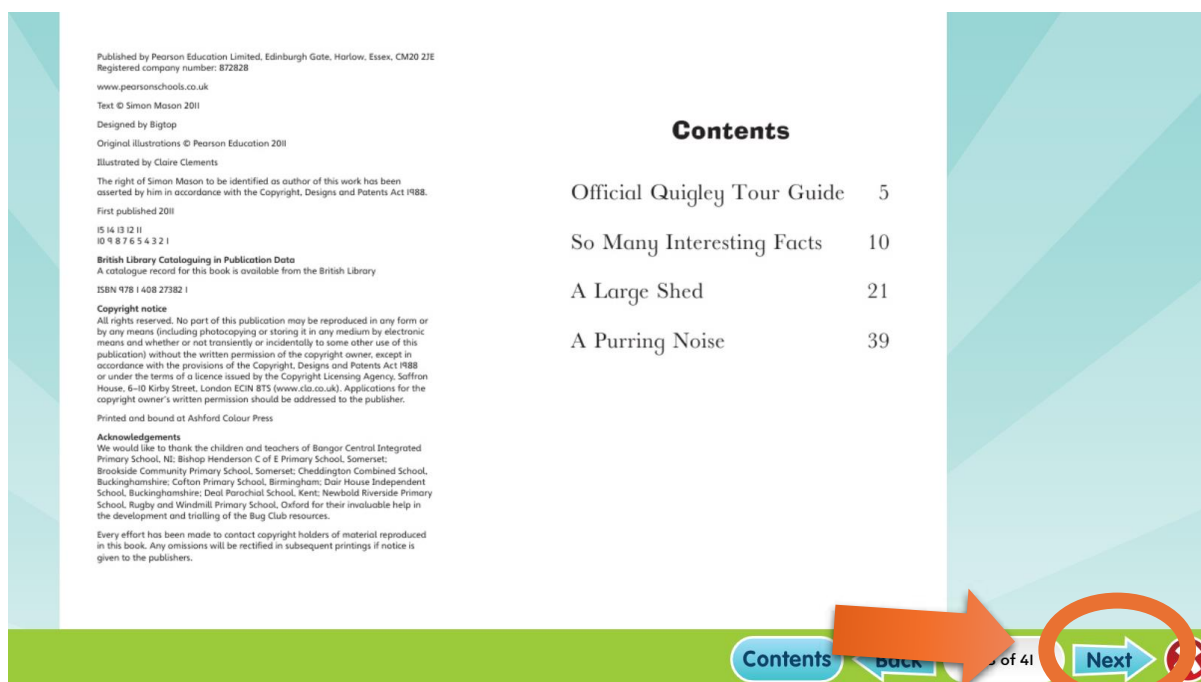

- 2) From here you will be able to see all the books that have been allocated to your child and you can start to read a book.

3) Next you will want to select open to start to read the book.

4) From here you can start to read the book. All progress is saved online, so please do not worry about remembering where your child left off.

Any issues please contact your class teacher through Receptions email:
reception@tma.bucks.sch.uk

Best regards,

Mr Tyler Goates (3TG Class Teacher)
