

Dear Parent/ Carer,

Once again, we have come to the end of a term, and wow, what a term it has been! The children have learnt so much across the curriculum and have been incredible at showing their knowledge. Today we have also sent out our newsletter where there is a brief snapshot from each year group of what they have been up to.

We are now looking ahead to next term and would like to share your child's curriculum overview with you. This is the proposed learning for this term, at times curriculums can change slightly due to child's interest and other events that can enhance the children's learning. Please remember, further details about each curriculum area can be found on our school website;
<https://www.tmaschool.com/curriculum/overview/>

Furthermore, if you have any more specific questions regarding your child's learning, please do not hesitate to contact your child's class teacher. We look forward to starting the summer term after this holiday and exploring these curriculum areas.

Many thanks,

Sophie Haycock

Deputy Head
