

It's good to be me

15th - 19th

April

It's great to
BELONG!

Belonging week

Week commencing 15th April, we will be discussing with the children what belonging looks like. We will explore Diversity, Equity and Inclusion and how it is 'Good to be me!'

Each year group will be exploring different ways in which they belong. Some year groups will be focussing on expressive art and even learning some sign language. Look out for our Facebook updates for what the children will have completed that week.

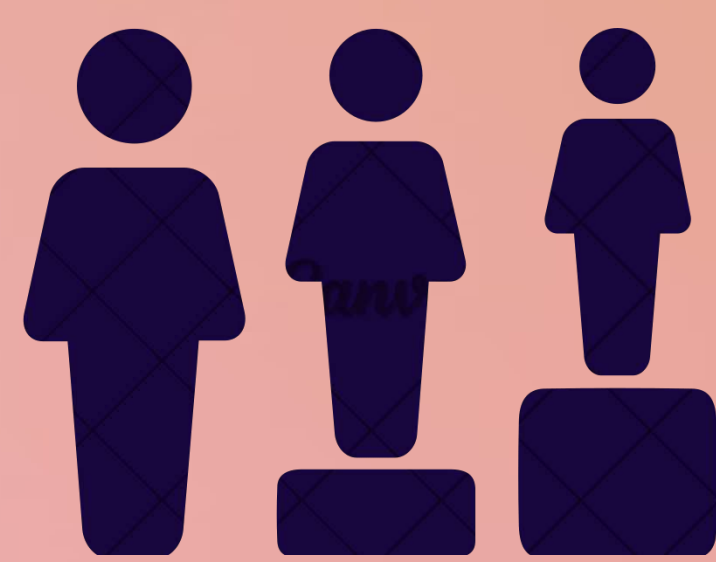

Wear something comfy
15th April
People with Autism often have a variety of sensory sensitivities. For our first day back after the Easter Holidays, please come to school dressed in your most comfy clothes or even pyjamas!
