

Dear Parents and Carers,

I am thrilled to be able to share some incredibly exciting news with you all regarding our school. Following our recent Ofsted inspection that took place across two days on 13th and 14th February, I am delighted to inform you that we have been awarded an 'Outstanding' grade in all the areas assessed.

This achievement is a testament to the dedication, hard work and commitment of our whole school community – the children, teachers, support staff, governors and parents. It reflects the collective effort and passion we all share to provide the highest quality education, opportunities and a nurturing environment where every child can flourish and succeed.

The Ofsted report highlighted numerous strengths and areas of excellence within our school including:

- Pupils at Two Mile Ash receive an exceptional education. The school has the highest expectations and aspirations for all pupils.
- The pupils study a highly ambitious and aspirational curriculum. The content exceeds the national curriculum in many areas.
- Pupils' behaviour is exemplary. They exude positive attitudes to learning as well as to each other.
- The provision for pupils' personal development is exceptional. Pupils benefit from a carefully constructed curriculum and wealth of well-considered opportunities outside of the curriculum.
- Leaders at all levels have a detailed and accurate understanding of the school's many strengths. They work together and are ambitious for all the pupils in their school.

I am immensely proud of the outcome and as we celebrate this achievement, we remain fully committed to building on our successes and continuing our pursuit for excellence in all aspects of school life.

I would like to express my heartfelt gratitude to you as parents and carers, for your continued support and partnership in your child's education. Your involvement, encouragement and feedback are invaluable to helping us create a thriving learning community for the children.

I encourage you to read the full Ofsted report, which has been attached to this email. I am able to share the report with you prior to it being published on the Ofsted website, which will be later next week.

Once again, thank you for your continued support.

With very best wishes,

Lucy Eldridge

Head Teacher
