

World Book Day 2024 and Read to Succeed- Update

Thank you to all the parents for their feedback regarding the Read to Succeed activity. To help support you and your child in this activity, we have decided to allow the children to bring their book to school on Tuesday and Wednesday of next week (5th and 6th March) and will be taking photos during the school day. If your child doesn't have a physical copy of the book that they would like to recommend, then we they can take a screenshot of the book, at school. A copy of the Read to Succeed task is attached for your referral.

We are hearing from the children how they are enjoying taking part in the sponsored read and how it is encouraging them to read more. Which is fantastic. In light of this, we would like this to continue for an additional week. On Thursday 14th March, please send all sponsorship money raised, in cash, to your child's class teacher. All money raised will be used to buy books for the school. Please support our sponsored read so that your child has a wider choice of books to read, share and enjoy at school.

We are really looking forward to seeing the children dressed up as a book character or an adventurous word on World Book day, next Thursday 7th March, and have lots of engaging activities planned for them. Keep an eye out for photos on facebook!

Thank you for your continued support.
