

Dear Year 5 families,

The performances of the Year 5 production are taking place at 1:45pm and 4:30pm on Tuesday 26th March. Your child is involved in both shows, and as this is such a wonderful and important part of their Year 5 curriculum, all the children are expected to stay at school on Tuesday 26th March for the after school performance. Tickets are available on ParentPay for a contribution of £2: each child is currently allocated two, which includes any TMA siblings who may want to attend. As with clubs, please secure your tickets carefully and make sure you are booking for the correct show time: we are unable to offer refunds/movement of tickets once your booking is complete. We are very grateful for your contributions, as they enable us to invite you in as an audience to watch the production, and performing to families is a wonderful way to make learning come alive for the children. If you require more than two tickets, we will be releasing any that remain at 9am on Tuesday 19th March, so please check ParentPay at this time if you are looking to secure additional seats. Please bear in mind that we are subject to maximum capacity limits in the hall and once we reach these numbers we are unable to provide any further tickets. Should this happen the item will no longer be available on your ParentPay account. The final day for any ticket requests and contributions is Thursday 21st March: paper tickets will then come home with your child on Friday 22nd March. Please email music@tma.bucks.sch.uk if you have any further questions or need to contact us regarding the Year 5 production.

Many thanks,

Em Marshall, Head of Music & Performing Arts
