

Good morning,

URGENT COMMUNICATION

We are currently working on the closure of our ParentPay system and transferring existing credits for breakfast and after school club sessions (including voucher/tax scheme payments) over to the new system My Child At School.

All lunch credits will be refunded in due course separately.

Please can we ask that you do not make any payments or bookings on ParentPay as of today. All bookings and payments must be on the new system My Child At School which is now live.

Kind regards

TMA School
