

Dear Parents/Carers,

We would like to give you an update regarding the current closure of our school kitchen.

We are working extremely hard with The Pantry to resolve the ongoing issues we are experiencing with a view to reopening the kitchen as soon as we can safely do so. Unfortunately, at this moment in time, the kitchen will need to remain closed next week with a view to reopening the following Monday. We will of course keep you up to date with developments.

Thank you to all those who have activated your Pantry App accounts. This will be the way to book meals when the kitchen reopens and any associated refunds will be made directly from The Pantry. The Pantry also offer a telephone number and email address for any queries or help required. Any meals that have been booked for next week and not taken due to the closure will be automatically refunded directly from The Pantry. TMA are unable to do this.

Please continue to provide your child with a packed lunch until further notice.

If your child is in receipt of Free School Meals, The Pantry will continue to provide a packed lunch next week – **However, you MUST book this for next week on the Pantry's App so they can ensure your child's preference and dietary needs are captured.**

Thank you for your understanding.

Kind Regards

The TMA team and The Pantry
