

Dear parents/carers,

Following on from our previous communication, we regret to inform you that we have had to make the difficult decision to continue to keep the school kitchen closed for a further fortnight. Unfortunately, following The Pantry alerting us to an electrical issue in the kitchen, we swiftly carried out further investigations which have subsequently led us to involve further agencies including pest control. As such we are unable to reopen the kitchen until all agencies involved have signed off the relevant safety assurances.

TMA and The Pantry's priority is the health and safety of our children and staff.

We are acutely aware of the inconvenience this has caused and continues to do so. Please be assured that we are doing absolutely everything we can to resolve the issue, with a view to providing hot meals once again at TMA when it is safe to do so. Any meals booked for the next 2 weeks will be refunded directly from The Pantry.

Please continue to provide your child with a packed lunch until further notice.

If you are in receipt of Free school meals, please continue to book via The Pantry's app so they can cater for your child, or you will be contacted to bring in a packed lunch.

Kind Regards

TMA, IFTL and The Pantry
