

Good afternoon,

Firstly, apologies for the miscommunication from The Pantry earlier today regarding only offering a cold food option today and tomorrow. As an emergency measure, a hot meal was cooked offsite and was available to those who had booked. Thank you if you did bring in a packed lunch, however.

In light of the ongoing issues and given the uncertainty as to when it will be back fully operational, we have taken the decision to close the kitchen for the rest of the week. We will therefore cancel any meal bookings for the remainder of this week and refund the respective funds to your Parentpay accounts.

If your child is in receipt of Free School Meals ONLY – there will be a packed lunch brought into the school for your child to collect from the hall at lunchtime.

In the meantime, if all parents and carers could please ensure they have downloaded and registered on The Pantry's booking app, in readiness for the launch of the new system next week as only orders on their system will be available from 22nd April.

Apologies again for the inconvenience caused and thank you for your support whilst we resolve these issues.

Kind regards  
TMA School
