

Dear parent/carer

We are VERY pleased to announce that Two Mile Ash School has been awarded the 'Distinction' afPE Quality Mark for PE, School Sport and Physical Activity!

To achieve this prestigious award we underwent a process in February 2024 which involved a written application and visit from an afPE validator. A panel then assessed the impact of our PE, School Sport and Physical Activity offer and commended us for demonstrating outstanding commitment to PESSPA. The award lasts for 3 years.

To support with this application we used feedback gained from recent pupil and parent surveys. Thank you to the 136 parents that completed the PE and School Sport survey in February. We really appreciate the time so many of you took to write wonderfully kind comments. Having reflected on the survey responses, we have started work towards further improvements in our PESSPA offer, including investment new play equipment for lunchtimes.

Thank you all for your continued support,

Mr Saville & Mr Hobley.
